

# Freethought Celebrity Charity Poker & Casino Night Event Rules

- The 1<sup>st</sup> Annual Freethought Celebrity Texas Hold’Em Poker Tournament & Casino Night event is a charitable event being held by the Freethought Film Festival Foundation to raise funds for the Foundation Beyond Belief. It will take place at “*The Church*” nightclub in Denver, Colorado on Wednesday, August 1st, 2012.
- The poker tournament shall be governed by the rules provided below, provided that the standard rules set forth by the Poker Tournament Directors Association shall supplement the “house rules” of this charity tournament. If there is a conflict between the PTDA rules and the rules and regulations set forth below, the rules below shall apply. In addition, if there is a conflict between the laws and regulations of the State of Colorado and the rules set forth below or the PTDA rules, then the laws and regulations of the State of Colorado shall apply and the tournament director reserves the right to alter the rules at any time to conform to such legal requirements.
- All ticket/sponsorship pricing reflects a suggested donation which is not required to participate in the poker tournament and/or casino gaming.
- All guests will receive an allotment of chips at the beginning of the night. The chips have no cash value and are not redeemable for cash. They are intended for fun play only. Additional chips are available upon request, along with a suggested minimum donation, although no purchase is required.
- VIP Check In Begins at 6:00PM / VIP Player’s Party Begins at 6:30PM
- All Other Check-In begins at 7:00PM / Doors Open for All Guests at 7:45PM
- Casino Style Tables Open at 6:30PM and Close at 10:30PM

- Prizes will be awarded through random drawings throughout the evening and in association with each of the casino games being played.
  
- The last celebrity standing will have the ability to name a 501(c)(3) charitable organization of their choice from Foundation Beyond Belief’s list of charities to receive a donation (amount TBD) from the Freethought Film Festival Foundation.
  
- All players start with 6000 units in tournament chips.
  
- Tournament chips have no monetary value.
  
- Players may receive additional chips beyond the original 6,000 units of chips in 3,000 or 5,000 unit increments as described below.
  
- A 3,000 unit “re-buy” occurs when a player opts to participate in the poker tournament re-buy raffle, which has a suggested minimum donation of \$100.00 to the Foundation Beyond Belief.
  
- A player may request poker tournament raffle tickets that are accompanied by re-buy chips when his chip stack reaches 3,000 units or less. A player may receive 6,000 units of chips with a purchase of multiple raffle tickets if the player has “felted.” There are no restrictions on the amount of raffle tickets (and re-buys) a player may receive so long as they are in accordance with the above rules.

- A 5,000 unit “add-on” occurs when a player opts to participate in the poker tournament add-on raffle, which has a suggested minimum donation of \$100.00 to the Foundation Beyond Belief.
- A player may request poker tournament raffle tickets that are accompanied by the 5,000 add-on chips only once during the tournament and there are no stack restrictions.
- Player Bounties are available at registration to players who choose to participate, with a suggested minimum donation of \$50. Players may collect Bounty chips each time they eliminate a player, and upon elimination must relinquish their bounty chip. Each bounty chip is redeemable for a \$25.00 gift card draw.
- For the first hour of play, each celebrity will be given additional chips whenever their chip total goes to zero; afterwards, anyone knocking a celebrity out of the tournament will receive a prize bounty (e.g., signed memorabilia), increasing in value depending on the number of celebrities eliminated.
- Players will be eligible to participate in raffle events held throughout the evening. Raffle tickets will be distributed primarily to participants in various casino games and the poker tournament, provided that any individual may request a ticket for any raffle. Raffle drawings relating to the poker tournament will be held at the first break and after each of the top 10 finishers has lost all of his or her chips, as described in further detail below.
- The tournament is played until one player has all of the chips. When a player loses all of their chips they are declared out of the tournament and finish in the order they were eliminated. If more than one player is eliminated in the same hand, the player with the most chips before the hand started finishes higher. In the case where both players also have the same amount of chips before the hand, both players will tie for the position. Should this position provide them entry in the prize drawing, the players will be provided an equal number of entries for the drawing.
- Any individual may request a ticket to participate in any raffle drawing and no purchase is necessary to participate in any raffle.
- Participants in the raffles must be present to win.
